

Greetings,

The Plateau Running club is holding it's 2nd annual Poker Run/Walk on August 28th in downtown Enumclaw.

The start and finish are located in front of the library on Griffin Ave. at Legacy Park. Directions are on the club website- www.plateaurc.com.

Pre register for \$15 by August 21st by sending in an application (attached) or online at www.getmeregistered.com for a small fee. Day of race registration is \$20. Registration opens at 8:00am.

Walkers start at 8:30am (have 60 minutes) and runners start at 9:00am(have 30 minutes).

Race format. The course is a flat 2 mile loop that passes several parks in town. When you get to the park tell the volunteer your number that's located on the sheet (along with rules and a map of the course) you received at check in. At each park you will receive a playing card. The volunteer will write your number on your card and then you're off to the next park. You can have a maximum of two cards per park. Walkers have 60 minutes and runners 30 minutes to get to as many parks as they can before they have to CHECK back in at the finish. You can run in a clockwise/counterclockwise loop.

If you finish one complete loop you can continue on in the same direction or go in reverse. If you don't think you can make a complete second loop you can do a partial loop before returning to the finish.

Awards will go to the top 5 poker hands in these age groups:

Men/Women 29 and under and Men/Women 30 and over.

There will be a drawing held during the run so check the board after you check in to see if you won a prize.

If you have any questions please email me: kevin@plateaurc.com
